a Word from the heart

Question--- Why do you need money and what would you do with it if you had it? If God, in His infinite wisdom, gave you \$1 million, what would you do with it? Who or what would you spend it on?

If you look in a dumpster you will see electronics, clothing, furniture, toys, basically thousands of things left from a failed marriage, broken dreams, friendships that have ended, things that are broken and old.

God has a plan for your life that includes using your resources, your wisdom, and your abilities to bless others. In Deuteronomy 28:13 "If you listen to these commands of the Lord your God that I am giving you today and if you carefully obey them, the Lord will make you the head and not the tail, and you will always be on top and never at the bottom."

Draw up a plan in order as to how you are going to help your community. Think big; dream further than what you can see in front of you and prepare to practice what it is you want to do. Start by doing something small. 2Corinthians 9:11 says "You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God."

Doesn't that sound like a much more useful plan for your money than throwing it in the trash. Believe this, there is someone out there in the world that would benefit from your resources. What if it was you or someone you loved, that needed someone's help? Everyone out there is someone's husband, child, parent. Try it, see what a good feeling comes over you, knowing you did God's work.
